

Gippsland Region Board summary

The Gippsland Region Board met on Monday 18 March 2024 following the Information Session for delegates. The following is a summary of matters discussed and decisions made.

Pennant review

The Board approved the Competitions Committee recommendations for the 2024/25 pennant structure, noting clubs will receive all relevant information including a request for next season's sides preferences later this week.

Region Sides

The Board considered Bowls Victoria options for the 2025 Region Sides format, supporting three games over two days – two Saturday, 1 Sunday plus the final. It also strongly favours the move for games of 21 ends, rather than 15 ends as was the case this year.

Premiership flags

Following several enquiries, the Board has agreed to produce smaller versions of Region premiership flags for winning clubs to keep. The main flag is perpetual and must be returned each year. The smaller premiership versions will be produced on request only, at the club's cost, and can be retrospective. More details will be provided in due course.

GBR apparel

The Board noted that a bulk order for GBR apparel will be made in coming weeks for hoodies (zipped and unzipped), jackets, bucket hats, caps and beanies and potentially visors. All interested in ordering an item/s should contact Dave Butterworth via email: davidandcoz@gmail.com.

Next meeting

10am Monday 15 April 2024 at Bairnsdale BC.

Bronwyn Thwaites
Region Secretary
